Willunga Football Club Member Protection Policy

1. Introduction

The Willunga Football Club is committed to providing an environment safe for all members that is free from harassment, discrimination and abuse for everyone, and promotes respectful and positive behaviour and values.

This policy provides a code of behaviour forming the basis of appropriate and ethical conduct which everyone must abide by.

The Willunga Football Club is committed to ensuring that everyone associated with our organisation complies with the policy.

2. Purpose of Our Policy

The main objective of our Member Protection Policy is to maintain responsible behaviour and ethical and informed decision-making by participants in this club. This policy outlines our commitment to a person's right to be treated with respect and dignity, and to be safe and protected from abuse. Our policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are required. It also covers the care and protection of children participating in our club's activities.

3. Who Our Policy Applies To

Our policy applies to everyone involved in the club including committee members, administrators, coaches, officials, volunteers, players, parents and spectators.

4. Extent of Our Policy

Our policy covers unfair decisions (e.g. team selection), breaches of our code of behaviour and inappropriate behaviour that occurs at practice, at meetings, in the club rooms, at social events organised or sanctioned by the club (or our district, regional, state or national body), on away and overnight trips and any behaviour that brings or is likely to bring our club or sport into disrepute. It also covers behaviour where there is suspicion of harm towards a child or young person.

5. Club Responsibilities

We will:

- make any necessary amendments to our Constitution, rules or other policies to enable this policy to be enforceable;
- implement and comply with our policy;
- promote our policy to everyone involved in our club;
- promote and model appropriate standards of behaviour at all times;
- respond to breaches or complaints made under our policy promptly, fairly, and confidentially;
- review this policy every 12 months; and
- seek advice from, and if necessary or appropriate, refer serious issues to the Great Southern Football League

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our state or national body request to be referred to them (e.g. conflict of interest).

6. Individual Responsibilities

Everyone associated with our club must:

- comply with the standards of behaviour outlined in our policy;

- treat others with respect;
- always place the safety and welfare of children above other considerations;
- be responsible and accountable for their behaviour;
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment or other inappropriate behaviour.

7. Protection of Children

7.1 Child Protection

The Willunga Football Club is committed to the safety and wellbeing of all children and young people accessing our service. We support the rights of the child and will act without hesitation to ensure a child safe environment is always maintained. We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure environment for all participants.

The *Willunga Football Club* acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children involved in our sport. The *Willunga Football Club* aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

7.1.1 Identify and Analyse Risk of Harm

The Willunga Football Club will develop and implement a risk management strategy, which includes a review of existing child protection practices, to determine how child-safe and child-friendly the organisation is and to determine what additional strategies are required to minimise and prevent risk of harm to children.

7.1.2 Develop Codes of Conduct for Adults and Children

The Willunga Football Club will ensure it has codes of conduct that specify standards of conduct and care when dealing and interacting with children, particularly those in the organisation's care. The club will also implement a code of conduct to address appropriate behaviour between children.

The code(s) of conduct will set out professional boundaries, ethical behaviour and unacceptable behaviour. (See Attachment 1)

7.1.3 Choose Suitable Employees and Volunteers

The *Willunga Football Club* will ensure it takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children (in prescribed positions).

This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

If a criminal history report is obtained as part of their screening process, the *Willunga Football Club* will ensure that the criminal history information is dealt with in accordance with the standards developed by the Chief Executive, Department for Families and Communities.¹ (See Attachment 2)

7.1.4 Support, Train, Supervise and Enhance Performance

The *Willunga Football Club* will ensure that volunteers and employees who work with children or their records have ongoing supervision, support and training such that their performance is developed and enhanced to promote the establishment and maintenance of a child-safe environment.

¹ Families and Communities (2007) *Child Safe Environments: Principles of Good Practice & Suggested Implementation Guidelines and Indicators*. Adelaide: DFC.

7.1.5 Empower and Promote the Participation of Children In Decision-Making And Service Development

The *Willunga Football Club* will promote the involvement and participation of children and young people in developing and maintaining child-safe environments.

7.1.6 Report and Respond Appropriately to Suspected Abuse and Neglect

The *Willunga Football Club* will ensure that volunteers and employees are able to identify and respond to children at risk of harm.

The *Willunga Football Club* will make all volunteers and employees aware of their responsibilities under the *Children's Protection Act 1993* if they have suspicion on reasonable grounds that a child has been or is being abused or neglected.

If any person feels another person or organisation bound by this policy is acting inappropriately towards a child or is breaching the code(s) of practice set out they may make an internal complaint. Please refer to our complaints procedure outlined in this policy. This will explain what to do about the behaviour and how the *Willunga Football Club* will deal with the problem.

7.2 Supervision

Members under the age of 18 must always be supervised by a responsible adult. Our club will provide a level of supervision adequate and relative to the members' age, maturity, capabilities, level of experience, nature of activity and nature of venue. If a member finds a member under the age of 18 is unsupervised, they should assume responsibility for the member's safety until the parent/guardian or supervisor can be found.

7.3 Transportation

Parents/guardians are responsible for transporting their children to and from club activities (e.g. practice and games). Where our club makes arrangements for the transportation of children (e.g. for away or over night trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and appropriate safety measures are available (e.g. fitted working seatbelts).

7.4 Taking Images of Children

The *Willunga Football Club* acknowledges that in South Australia under the Summary Offences Act 1953 a person must not engage in indecent filming. Images of children and adults should not be used inappropriately or illegally.

Our club requires that members, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. Our club also requires the privacy of others to be respected and disallows the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If the club uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

8. Anti-harassment, Discrimination and Bullying

Our club opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying are against the law and are based on particular characteristics such as age, disability, gender, sexual orientation, pregnancy, political or religious beliefs, race, and marital status.

Our club takes all claims of harassment, discrimination, bullying and cyber bullying seriously. We encourage anyone who believes they have been harassed, discriminated against or bullied to raise the issue with the club (see Section 10, Responding to Complaints).

9. Inclusive practices.

Our club is welcoming, and we will seek to include members from all areas of our community.

9.1 People with a disability

Where possible we will include people with a disability in our teams and club. We will make reasonable adaptations (e.g. modifications to equipment and rules) to enable participation.

9.2 People from diverse cultures

We will support and respect people from diverse cultures and religions to participate in our club and where possible will accommodate requests for flexibility (e.g. modifications to uniforms).

9.3 Sexual & Gender Identity

All people, regardless of their sexuality, are welcome at our club. We strive to provide a safe environment for participation and will take action over any homophobic behaviour.

9.4 Pregnancy

Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our sport. We recommend pregnant women to consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation.

9.5 Girls playing in boys' teams

If there is not a separate sex competition, our club will support girls playing in boys' teams up until the age of 12 years (when federal sex discrimination law says if differences in strength, stamina and physique are relevant, then single sex competition is required). After this age our club will consider each request on an individual basis including looking at the nature of our sport and other opportunities to compete.

10. Responding to Complaints

10.1 Complaints

Our club takes all complaints about on and off-field behaviour seriously. Our club will handle complaints based on the principles of procedural fairness (natural justice), that is:

- all complaints will be taken seriously;
- both the person making the complaint (complainant) and the person the complaint is against (respondent) will be given full details of what is being said against them and have the opportunity to respond (give their side of the story);
- irrelevant matters will not be considered;
- decisions will be unbiased and fair; and

- any penalties imposed will be fair and reasonable.

More serious complaints may be escalated to the Member Protection Information Officer (MPIO) of the *Great Southern Football League*

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club will need to report the behaviour to the police and/or relevant government authority and our state/national body.

10.2 Complaint Handling Process

When a complaint is received by our club, the person receiving the complaint (e.g. President) will forward details to the club's Member Protection Officer (MPO). The MPO will:

- listen carefully and ask questions to understand the nature and extent of the problem;
- ask what the complainant would like to happen;
- explain the different options available to help resolve the problem;
- take notes; utilizing Attachment 4 and
- maintain confidentiality but not necessarily anonymity.

Once the complainant decides on their preferred option for resolution, the club will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the person complaining to talk to the person being complained about
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from our district, regional, state and/or national body or from an external agency (e.g. Office for Recreation and Sport and Play By The Rules.);
- referring the complaint to the *Great Southern Football League*; and/or
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to the *Great Southern Football League* and an inquiry is conducted, the club will:

- co-operate fully;
- ensure the complainant and respondent are not victimised;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on the *Great Southern Football League* recommendations.

At any stage of the process, a person can seek advice from or lodge a complaint with an anti-discrimination commission or other external agency.

10.3 Disciplinary Measures

Our club will take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- Be applied consistent with any contractual and employment rules and requirements;
- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach;
- Be determined by our Constitution, By Laws and the rules of the game.

Possible measures that may be taken include:

- verbal and/or written apology;
- counselling to address behaviour;
- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our club;

- suspension or termination of membership, participation or engagement in a role or activity;
- de-registration of accreditation for a period of time or permanently;
- a fine; or
- any other form of discipline that our club considers reasonable and appropriate.

10.4 Appeals

The complainant or respondent can lodge one appeal against decisions or disciplinary measures imposed by our club to *the Great Southern Football League*. Appeals must be based on either a denial of natural justice, because of unjust or unreasonable disciplinary measure(s) being imposed, or on the grounds that the decision was not supported by the information/evidence presented and available to the decision maker/club.

Attachment 1: CODES OF BEHAVIOUR

The Codes of Behaviour outlined below have been derived from the **AFL Next Generation Junior Match Policy**.

Players

- Play by the rules: they are there for the good of all.
- Never argue with an official: if you disagree, discuss the matter with your coach or teacher after the game.

- Be a good sport: applaud all good plays by your team, opponent or the opposition team.
- Treat all players fairly: treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Cooperate willingly: cooperate with your coach, teammates and opponents. Without them there would be no game.
- Play for fun: Play for the 'fun of it' and not just to please parents and coaches.

- I acknowledge that disciplinary action against me may include de-registration from the AFL National Coaching Accreditation Scheme.

Attachment 2: SCREENING REQUIREMENTS

A “background check” is a process to determine if a person is suitable to hold a position in the WFC and/or work with children based on the person’s criminal history (if any) and the assessed risk to children who access services from the organisation.

The *Willunga Football Club* will conduct individuals’ screenings using the South Australian Government, Department of Communities and Social Inclusions (DCSI) screening process.

The *Willunga Football Club* undertakes to follow the standards issued by the Department for Communities and Social Inclusion (DCSI) when conducting screening assessments. These Standards are outlined below.

2.1 – Identifying affected positions

The *Willunga Football Club* will conduct DCSI Screening of every person who is, or will be, engaged to work with children in this organisation, and its affiliated associations and any other person as decided by the Executive of the Club

The *Willunga Football Club* has identified all positions within the organization that involve working with children.

These positions are:

- All committee members
- All coaches, Assistant coaches, Team managers
- Trainers
- Any other Match Day Official who fit one or more of the criteria as outlined.
- Volunteer Roles as decided by the Executive from time to time

2.2 – Procedures

The *Willunga Football Club* has set out the following policy and supporting procedures for obtaining DCSI Screening reports.

Obtaining a Dept of Communities and Social Inclusion (DCSI) Screening

1. The *Willunga Football Club* Executive will decide what level of screening is required for an individual and will initiate a DCSI Screening check via the DCSI website.
2. The Executive of the WFC has delegated access to the screening unit website application system to the Club Secretary and Member Protection Officer and any additional person as required from time to time.
3. The application can only be completed online.
4. Individuals who will be screened are to complete an on-line questionnaire when invited by the DCSI once the Club has lodged a request for a screening.
5. Once screening is finalised a certificate is issued to the individual screened.
6. On receipt of the certificate, the original document must be presented to the Club Secretary or Member Protection Officer for sighting and registering in the club’s information system.

2.5 – Ensuring procedural fairness if a person has a criminal history

All new and existing staff, members and volunteers will be provided with the opportunity to confirm or dispute the information contained within the DCSI report and to provide contextual information if they wish, before the assessment is conducted.

Prior to a decision being made, the *Willunga Football Club* will communicate to the applicant a pending decision not to employ or engage them because of their history and the reasons for this decision.

Staff (who are also members of the *Willunga Football Club*) members and volunteers may request that the final assessment be referred to the Screening Unit (if it has not already been done). Which decision shall be final and binding.

Employees who are not also members of the Willunga Football Club may refer to the dispute resolution process set out by the relevant Enterprise Agreement or award for dispute resolution.

There will be no appeal to this decision.

2.6 – Records management

The *Willunga Football Club* will take specific actions to store and record information obtained through the DCSI screening process. This includes taking measures to ensure information is protected and confidentially stored and safeguards to protect against loss, unauthorized access, modification, disclosure or other misuse.

The *Willunga Football Club* will retain the following information regarding their decision:

- The applicants name
- The DCSI Clearance Certificate Reference number
- Date of validity of the certificate

If the person is registered on the AFL member recording system, Footyweb, their clearance information will be recorded on that system.

If the person is not registered on the Footyweb system, their details will be entered in the Clubs DCSI screening register. (See attachment three).

2.7 - Exemptions from the requirement to conduct criminal history assessments

In accordance with guidelines the *Willunga Football Club* may agree to exempt the following persons from the requirement to undertake a DCSI screening, unless that person is also involved in a function or event conducted by the *Willunga Football Club* or its affiliated associations which involves the care of children in overnight accommodation.

- A person volunteering in an activity in which their child ordinarily participates;
- A person who volunteers who is less than 18 years of age;
- A person working or volunteering for a short-term event or activity of less than 10 days duration or for no more than 1 day in any month;
- A person occupying a position in which all work involving children is undertaken in the physical presence of the child's parents or guardians and in which there is ordinarily no physical contact with the children;
- A person who undertakes, or a position that only involves, work that is primarily provided to adults or the community generally and is not provided to any child on an individual basis;
- An organisation that provides equipment, food or venues for children's parties or events but does not provide any other services to children;
- A person who has regular contact with a child as part of an employment relationship with that child (such as a person working alongside a child or supervising an employee who is a child);
- A person who is appointed as a police officer or is a registered teacher. (Police officers and teachers are already subject to comprehensive criminal history assessments as a prerequisite for employment).

Attachment 4: Process for dealing with members charged with, or under investigations for, a criminal offence

This process sets out the procedure that *Willunga Football Club* will follow in the event that it becomes aware that a member has been charged with, or is being investigated for, a relevant criminal offence.

Guiding Principle

The paramount consideration is the rights, interests and wellbeing of all members and children and their protection from harm.

Procedure

Risk Assessment

In the event that *Willunga Football Club* becomes aware that a member has been charged with, or is being investigated for, a relevant criminal offence, the managing authority of *Willunga Football Club* or senior appointed officers shall make a risk assessment of the risk of harm to children and consider taking protective action.

The risk assessment will:

Be conducted in accordance with the guidelines and principles set out under Standard 5 of the *Child Safe Environments: Standards for dealing with information obtained about the criminal history of employees and volunteers who work with children*;

Recognise that an investigation or charge does not mean that the person is guilty and that the matter needs to be resolved through proper legal avenues;

Consider all matters on an individual basis and include an assessment of all relevant circumstances;

Provide the member an opportunity to make submissions on whether he or she had been charged with an offence warranting some action, and what action should be taken;

Be made in accordance with the principles of natural justice and procedural fairness. Assessment procedures will be transparent, documented and consistently applied;

Not compromise any police investigations or evidence.

Outcome

Where the outcome of the risk assessment is that protective action is necessary, the *Willunga Football Club* may:

- Control or supervise contact between the member and children
- Prevent contact between the member and children
- Remove the member from duties until the outcome of the investigation or charge is known;
- Take any other action that is necessary and reasonable in the circumstances.

Voluntary removal of member pending outcome of charge or investigation

Where the risk assessment determines that protective action is necessary against a member to safeguard and protect children, *Willunga Football Club* will give the member the opportunity to voluntarily remove him or herself from activities until the outcome of the charge or investigation is known.

Resolution to suspend or remove member

If the member will not voluntarily remove him or herself from activities until the outcome of the charge or investigation is known, the *Willunga Football Club* will put forward a resolution to the committee to suspend or temporarily remove the member.

The outcome of the resolution will be recorded in the committee's minutes and then implemented.

The outcome recorded in the committee minutes will not contain unnecessary information relating to the investigation or charge or identify (directly or indirectly) any junior members.
